

VACATION BIBLE ADVENTURE IS COMING!

Monday, July 12th – Friday, July 16th
(From 6:15 – 8:45 PM)

This year's theme is a ROCK CONCERT, where we go "Backstage with the Bible!" If you haven't already heard of the "Go Fish Guys," a contemporary music group especially for kids, you'll meet Jamie, Jason, and Andy. The Bible portions each day will remind us that God made us in His image, but we can't follow his rules on our own. We'll find out what Jesus did for us on the cross and how we're saved by grace through faith. Finally we'll be inspired to share the good news and GO FISH ourselves! These truths will come alive for the kids through games, drama, crafts, snacks, mission, and some pretty awesome music!

VOLUNTEERS NEEDED!

We'll be recruiting lots of adults & youth to help us during this eventful and fun-filled week. Both station leaders (Games, Crafts, etc.) and crew leaders are still needed. Crew Leaders work with a small group of 5-7 children during the week, developing a relationship with them and leading them through the various stations each night.

As you can see, it will take many dedicated Christians with a love for children to make this happen. We know Bethany is full of them. *Are you being called to help?*

If you are interested in joining our Bethany team, please contact Tracy (755-0736, tuntener@fuse.net) or Barb (779-0667, bejarrett@earthlink.net). We truly appreciate you all!

MONETARY DONATIONS may be placed in the offering plates. *Make sure it is marked for use at V.B.A.* This type of help is always needed and we appreciate your generosity.
